

Cake Smash Experience

01278 424040

www.timelessimagesphotos.co.uk

Let's Celebrate!!!

Thank you for booking your little one's Cake Smash at Timeless Images. We can't wait to meet you all and celebrate your little one's 1st (or 2nd) Birthday!

This is a fun-filled session with giggles and laughter, allowing your child to explore the cake, get all gooey and messy, and then a lovely warm bubble bath!

What to expect during your Cake Smash Experience....

When you arrive at the studio, Garry, our photographer, will have a quick chat about what you want from the session and just go over how session will run. Your photoshoot will be a totally relaxed experience and we will be totally driven by your little one. We will begin the session in normal clothes and play to get your little one relaxed and used to the environment around them. These create beautiful images without any mess to begin with!

What do we need to bring?

We will supply props, outfits, a bubble bath, towels, and the cake!

If you want to add to your little one's session then please bring with you their favourite toy, balloons, birthday cards, or a personalised T Shirt that you can purchase from the Crafty Collective in Bridgwater - www.thecraftycollectivebridgwater.co.uk.

We provide a squishable sponge cake. If your child has allergies, then providing your own is recommended. If you wish to bring your own cake then that is fine. Just let us know and we would recommend a cake with butter icing as this is particularly squishable!

Once they have had enough of pulling the cake apart then we will get out our lovely bathtub with warm water and lots of suds!

Once again please let us know if your child has any allergies to bubble bath and if they do we may ask you to bring the one that suits your child best!

We have plenty of towels to dry your little one - you will just need to bring some clean clothes for them to wear home!

We want everyone to enjoy this experience and create some wonderful memories and images for you to treasure.

How do we see our images?

Once your session has been completed, we will arrange for you to return to our beautiful viewing lounge to see your collection of images.

At this point, you will be able to choose your 8x6 art mounted print that is included in your Cake Smash Experience. Please note we do not store your images after the viewing so everyone required to make a decision will need to attend.

Where can we park?

Unfortunately, we do not have any parking at the studio so we recommend that you park in Angel Place which is signposted from the outskirts of Bridgwater. It is just a short 5-minute walk to our studio from there. It is £3.00 for up to 4 hours and you pay on the way out!

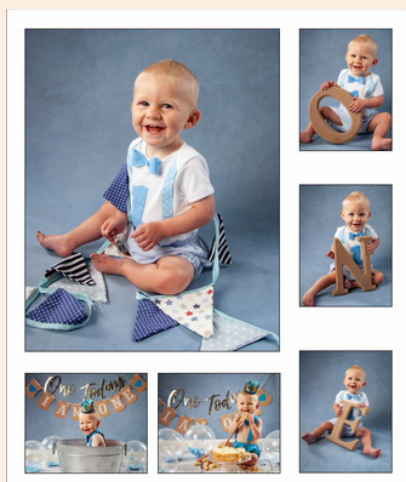

If you get lost please call us and we will guide you in!
